

January 14, 1992 LB 139, 301, 522, 682, 937, 1042, 1089-1104

there is a problem out there that Senator Horgan has identified. I think those of us who are from the Omaha area are conscious of that problem, sensitive to it. I think this is an opportunity to do something to deal with that problem this year, see...and put this into place to see how it would work and then, if it's worthy of discussion again or worthy to be expanded, then at some other time we can look at it. But I think it's a good concept that can be applied this year to a limited universe of employees and I think Senator Horgan's absolutely right, that there is a problem or a concern at least out there in this regard and so I'm raising this amendment for that purpose. Thank you.

SPEAKER BAACK: You've heard Senator Ashford's closing on his amendment. We will now vote on that amendment. All those in favor vote aye, opposed vote no. We are voting on the amendment by Senator Ashford. Have you all voted? Have you all voted? Record, Mr. Clerk.

CLERK: 7 ayes, 12 nays, Mr. President, on the amendment.

SPEAKER BAACK: The amendment is defeated. Mr. Clerk, bill introduction.

In addition to that, Mr. President, I have notice of committee hearing from the Business and Labor Committee, series of name adds, Senator Lindsay to 682, Senator Rogers to 139, Senator Horgan to 1042, Labedz to 937. Amendments to be printed by Senator Hall to LB 301. And that's all that I have. (See pages 303-04 of the Legislative Journal.)

SPEAKER BAACK: Senator Hall.

SENATOR HALL: Mr. Speaker, I'd move that we adjourn until tomorrow morning, January 15, at 9:00 a.m.
